

Neutrogena Blackhead Eliminating™ 2-in-1 Foaming Pads

Neutrogena Blackhead Eliminating™ 2-in-1 Foaming Pads deep clean and exfoliate to help eliminate and prevent blackheads for clear, smooth skin.

These unique, dual-sided pads that contain Salicylic Acid, a maximum-strength level medicine that penetrates deep into pores to help clear away blackheads and prevent new ones from forming. Each pre-moistened pad cleans skin two ways. The beaded, textured side exfoliates to lift pore-clogging impurities and improve skin's clarity, while the soft, smooth side cleanses, sweeping away dirt, oil and dead skin cells. Pads instantly foam into a rich lather and come in a resealable package so they're easy to use anywhere, anytime. For more blackhead-fighting power, treat your skin to **Blackhead Eliminating Astringent** daily and **Blackhead Eliminating Treatment Mask** twice a week.

Make blackheads a thing of the past.

- 28 round pads, 3.25 in.
- Available in 2-in-1 Foaming Pads, **Astringent**, **Daily Scrub**, and **Treatment Mask**.

how to use:

Wet face with lukewarm water. Remove one pad from package. Gently massage textured side on face to exfoliate. Use the soft side to cleanse and wash away impurities, dirt and oil. Avoid contact with the delicate eye area. Rinse face thoroughly with lukewarm water. Dispose of the pad in trash receptacle (do not flush).

Neutrogena Blackhead Eliminating™ Astringent

Neutrogena Blackhead Eliminating™ Astringent helps eliminate blackheads right where they start by penetrating into pores to remove oil and dirt.

This unique oil-absorbing astringent combines a powerful blackhead-fighting ingredient with Glycolic Acid to clean pores and help keep them free of blackheads. Salicylic Acid goes deep into pores to remove blackhead-causing dirt and oil, while Glycolic Acid sweeps away dead skin cells. This formula helps prevent future blackheads and blemishes from forming. For more blackhead-fighting power, use the astringent daily with **Blackhead Eliminating Daily Scrub** and treat your skin to **Blackhead Eliminating Treatment Mask** twice a week.

Make blackheads a thing of the past.

- 8.5 fl. oz bottle

how to use:

Use one to three times daily. Cleanse skin thoroughly before application. Moisten a cotton ball with the astringent and apply a thin layer to the affected area with a gentle stroking motion. Avoid the delicate eye area. Do not rinse. Because excessive drying of the skin may occur, start with one application then gradually increase to two to three times daily if needed.
